(267) - 443 - 3427

carlosmcejass@gmail.com

Highschool Student '25  
Software Developer

2000 Bridle Lane Orelan PA

## SUMMARY

I am a highschool student focused on computer science. My interest began at a young age as I started to program in Python since I was 8yrs old. I am always learning more in the computer science field and am excited to create new projects.

## EDUCATION

### Springfield Township Highschool

2020-2025\*

Relevant Classes:

- Programming I (Python)
- AP Computer Science A (Java)
- AP Calc AB/BC
- Trig/Pre-Calc Honors
- Algebra II Honors

## PROGRAMMING LANGUAGES

- Python
- Java
- HTML
- CSS
- ReactJS
- TailwindCSS

## OPERATING SYSTEMS

- Windows
- Ubuntu-based distributions
- Arch-based distributions

## PROJECTS

- repositories at:  
<https://github.com/cmcejass/>

## PROFESSIONAL EXPERIENCE

### Drexel Digital Development Course

Jul 2023

- I worked on a team with a group of 6 students some entering college and others entering their senior year of high school
- Designed, programmed, developed, and pushed a functioning web app connecting food kitchens to volunteers and workers
- My role was a full-stack developer
- project link: <https://www.platpals.org/>

### Robotics Club Instructor

Nov 2021 - Present

- I volunteer to instruct my former middle school robotics team that I led to winning regionals when I attended
- I assist the kids in learning the First Lego block code, fixing bugs, and helping build teamwork amongst them

## SPOKEN LANGUAGES

- English (Native)
- Spanish (Native)
- French (Limited working proficiency)

## OUTSIDE EXPERIENCES

- World Language Club Officer
- Soccer Player high school and club levels
- Jazz Band Guitarist
